We have received great service from Watermark Land Title. We appreciate the fact you have maintained excellent responsiveness to our needs. Our calls and e-mails are always answered promptly. We appreciate your policy of addressing new contracts immediately upon receipt. You have customized your service to our particular needs which helps closings flow quickly and smoothly.

Draws requests are our lifeline and your policy of dropping everything and giving first priority to these has resulted in same day or next day approval of each request in all our projects. This is much appreciated. Your willingness to jump in the car and deliver papers all over the county for signature is just one more extra service which moves our closings more quickly.

We have no hesitation in recommending Watermark Land Title as a provider of title and closing services.

Sincerely,

W. B. Home Builders, Inc.
